Allowable Subject Matter

4. Claims 52, 61-71 and 73-94 are allowed.
5. The following is an examiner's statement of reasons for allowance:

Art Unit: 2151

The cited prior arts fail to disclose or suggest an electronic messaging system, comprising: an attachment processor and reformator operating on the message server that (a) receives electronic message from the message server that include attachments which have been identified for printing by the one wireless device, (b) extracts the attachment from the electronic message, (c) formats the attachment for printing, and (d) transmits the attachment over the computer network to the printer associated with the one unique printer address; wherein the message server (1) notifies a wireless device user when one or more of said electronic messages is received that includes one or more of said attachments that are unable to be transmitted to one of the wireless devices, and (2) provides the wireless device user with an option to print the one or more attachments using the attachment processor and reformator with all other limitations in the claim.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
